

YUVANTH SADAM

FRONTEND DEVELOPER

sadamyuvanth@gmail.com +91 86524 20386 linkedin.com/in/yuvanth-sadam

Frontend Developer with 1+ years of hands-on experience building responsive, high-performance web and mobile applications for enterprise clients and high-growth startups. Skilled in React, Next.js, TypeScript, React Native, and Tailwind CSS, with a strong eye for UI/UX and a component-driven approach to scalable interface design. Experienced integrating REST APIs, collaborating in GitLab-based production workflows, and delivering cross-platform (web and mobile) products under enterprise brand and design standards.

SKILLS

Languages	HTML, CSS, JavaScript, TypeScript
Frontend	React, Next.js, React Native, Tailwind CSS
Backend	Node.js, NestJS
Database & Tools	MySQL, Postman, GitLab
Practices	Responsive Design, Component-Based Architecture, REST API Integration, Cross-Platform Mobile Development, Version Control

EXPERIENCE

Focalworks Solutions Pvt. Ltd. 16 June 2025 – 30 June 2026 | Navi Mumbai, India
Frontend Development Intern

HDFC Web Application — Enterprise Financial Platform

- Contributed to UI/UX design and frontend implementation of an enterprise-level web application serving a major financial institution
- Built high-quality responsive layouts adhering strictly to HDFC brand guidelines and design standards

Sports Timing Solutions — Marathon Web App

- Architected modular, reusable React components for event listings, participant dashboards, and race views
- Integrated REST APIs to dynamically fetch and display live race data and event details
- Contributed to a production web application used to organize marathons across India and internationally

Motorola — Web & Mobile Application

- Built cross-platform mobile screens using React Native alongside a companion web application, sharing component logic to speed up delivery
- Implemented responsive, brand-consistent UI across both web and mobile clients using Tailwind CSS and TypeScript
- Worked within a GitLab-based version control workflow in a fast-paced, production-grade environment

PadCare Web App

- Collaborated cross-functionally to improve design clarity and overall frontend performance
- Developed responsive UI components powering dashboards and informational modules for end users

EDUCATION

Bachelor of Science, Computer Science 2021
Seshachala Degree College, Puttur, Andhra Pradesh
